Pale Ale

popular style of beer that's hop-forward with a malty flavor, a golden to amber color, and moderate strength

Red IPA

reddish-amber to dark reddish-copper colored, hoppy, bitter, and moderately strong like an American IPA, but with some caramel, toffee, and/or dark fruit malt character.

Stout

dark, top-fermented beer with a number of variations, including dry stout, oatmeal stout, milk stout, and imperial stout.

Who are we?

We are Argentina's largest homebrew beer and wine shop and website. We supply everything you need for anything you want to brew. As brewers ourselves, we have the knowledge to go along with the products. We cater for the beginner homebrewer right through to the seasoned professional.
